

# Good Lovin'

Maliq & D'Essentials

We start it all, it may not be the right time  
We have it all, the love live in higher ground  
Trying not to blind and fall  
Another day, another reason to be said  
It's all on you, it's all on me, it's all on us  
It might be right, it might be wrong  
Yeah

All I know this feels like lovers in a movie scene  
We'll never know until the end

I know we'll have a good, good lovin'  
You know we'll have a high time lovin', yeah  
I know we'll have it, you know it's real  
I know we'll have a good, good lovin'  
You know we'll have a high time lovin', yeah  
I know we'll have it, you know it's real  
You know we have a chance

Summer love acting like a rainy days  
We pretend as if the dance will ever last, yeah  
Tryin' not to fall too far  
Or let it be, let it be like lover's love  
Or let it lost, let it happen, let it on  
Let it fall, let it far

Like the moment when we're holding breath before we kissed  
Waiting for it to begin

I know we'll have a good, good lovin'  
You know we'll have a high time lovin', yeah  
I know we'll have it, you know it's real  
I know we'll have a good, good lovin'  
You know we'll have a high time lovin', yeah  
I know we'll have it, you know it's real  
You know we have a chance

To feel what it feels, I know we have a chance  
To feel what it feels, I know, I know, I know

I know we'll have a good, good lovin'  
You know we'll have a high time lovin', yeah  
I know we'll have it, you know it's real  
I know we'll have a good, good lovin'  
You know we'll have a high time lovin', yeah  
I know we'll have it, you know it's real  
I know we'll have a good, good lovin'  
You know we'll have a high time lovin', yeah  
I know we'll have it, you know it's real  
I know we'll have a good, good lovin'  
You know we'll have a high time lovin'  
I know we'll have it, you know it's real  
You know we have a chance

Good, good lovin'  
You know we'll have a high time lovin', yeah  
I know we'll have it, you know it's real

I know we'll have a good, good lovin'  
You know we'll have a high time lovin', yeah  
I know we'll have it, you know it's real  
I know we'll have a good, good lovin'  
You know we'll have a high time lovin', yeah  
I know we'll have it, you know it's real
