

Bila saja kau tahu yang kurasakan pada dirimu
Sulit untuk kukatakan betapa aku suka dirimu

Setiap kali ku menatapmu kau memberi arti untukku
Mungkinkah kau wanita untukku
Setiap kali ku bersamamu semua terasa indah bagiku
Dan kutahu

Every little thing you do it feels so good
It doesn't have to be understood
You may think I'm crazy when I look at you
I ain't even can keep my cool
Oh no I ain't even can keep my cool

Katakan padaku (oh katakan)
Bila ada yang membuat kau ragukan aku
Isyaratkan aku bila kau memang mau
Untuk menjadi milikku

Setiap kali ku menatapmu kau memberi arti untukku
Mungkinkah kau wanita untukku
Setiap kali ku bersamamu semua terasa indah bagiku
Dan kutahu

Every little thing you do it feels so good (and it feels so good)
It doesn't have to be understood
You may think I'm crazy when I look at you (yes when I look at you)
I ain't even can keep my cool
Oh no I ain't even can keep my cool

Setiap ku menatapmu memberi arti untukku, yeah
Setiap ku bersamamu terasa indah bagiku
(Bilakah kau tahu kusuka dirimu) yeah
(Isyaratkan aku, usahlah kau ragu)
(Bilakah kau tahu kusuka dirimu)
(Isyaratkan aku, usahlah kau ragu)
Bila kau tahu, isyaratkan aku
Kusuka dirimu, isyaratkan aku

Every little thing you do it feels so good (so good)
It doesn't have to be understood
You may think I'm crazy when I look at you (yes when I look at you)
I ain't even can keep my cool
Every little thing you do it feels so good (feels so good, can you feel my mood)
It doesn't have to be understood (it feels so right, do you feel alright)
You may think I'm crazy when I look at you (yes when I look at you)
I ain't even can keep my cool
Every little thing you do it feels so good (feels so good, can you feel my mood)
It doesn't have to be understood (it feels so right, do you feel alright)
You may think I'm crazy when I look at you (yeah yeah)
I ain't even can keep my cool
