(To the M to the A to the L-I-Q, to the M to the A to the L-I-Q)
Ascension, ooh ascension
(To the M to the A to the L-I-Q, to the M to the A to the L-I-Q)
Ascension, ooh ascension

I got sunshine shining through my eyes
The love is from above 'cause You're the sunshine of my life
I got sunshine, the love is from above
You gave me with a rush 'cause You're the sunshine of my life

When I'm in doubt I pray to You
You lead the way to brighten up my day
Day after day You're always there
You show the way to brighten up my day

(To the M to the A to the L-I-Q, to the M to the A to the L-I-Q)
Ascension, ooh ascension
(To the M to the A to the L-I-Q, to the M to the A to the L-I-Q)
Ascension, ooh ascension

I got sunshine
I got sunshine, ooh ooh

I'm going to get down and I'm down for You
I raise my hand, call out Your name
Allahu Akbar, the One above me
I live for You and I die for You

When I'm in doubt I'll pray to You
You lead the way to brighten up my day
Day after day You're always there
You show the way to brighten up my day

I got sunshine shining through my eyes
The love is from above 'cause You're the sunshine of my life
I got sunshine, the love is from above
You gave me with a rush 'cause You're the sunshine of my life
