

# The One

Maliq & D'Essentials

Sepenuh rasa aku menginginkanmu  
Aku disini untuk memilikimu  
Katakan bila itu bukan maumu  
Karena ku kini tak dapat berpindah ke hati yang lain

Getaran jiwa mengungkapkan maksudnya  
Aku disini merasakan indahnya  
Katakan bila engkau bukan untukku  
Karena ku kini tak dapat berpindah ke hati yang lain

Lady I know you're the one for me  
Lady you're the one I need  
It keeps me going on and on to love you  
I'll give you my soul for you to love to

Lady I know you're the one for me  
I know you're the one I need  
It keeps me going on and on to love you  
I'll give you my soul for you to love to

Benarkah bila akupun merasakan ada getaran itu  
Meskipun kumengerti engkau di situ masih meragu  
Untuk kau buka semua ruang untukku  
Namun ku akan setia menanti hingga kau yakini

Lady I know you're the one for me  
Lady you're the one I need  
It keeps me going on and on to love you  
I'll give you my soul for you to love to

Lady I know you're the one for me  
I know you're the one I need  
It keeps me going on and on to love you  
I'll give you my soul for you to love to

Bless me with your energy a sigh of relief  
The thought of you makes me weak  
But yet you keep me at peace  
Need no other reason oh just know I believe  
You're not the one that I want oh you're the one that I need  
I'm yelling please  
Oh please be the lady for me  
Hoping you see what I see  
Underneath  
With you is where I belong  
It goes on and on

On and on and on  
It keeps me going on and on to love you  
I'll give you my soul for you to love to

On and on and on  
It keeps me going on and on to love you  
I'll give you my soul for you to love to

Loving you loving you is all wanna do  
Loving you loving me is all wanna do

Lady I know you're the one for me  
Lady you're the one I need  
It keeps me going on and on to love you  
I'll give you my soul for you to love to

Lady I know you're the one for me  
Lady you're the one I need  
It keeps me going on and on to love you  
I'll give you my soul for you to love to

Lady I know you're the one

It keeps me going on and on to love you  
I'll give you my soul for you to love to
