So many reasons that I want you and I need you
'Cause you are so simple but fulfilled me with fantasy

'Cause you are the soul that brings joy to my life
'Cause you are my lady so special to me
Hey hey

(M-A to D-L-I-Q, hey hey I like you)
(M-A to D-L-I-Q, hey hey I like you)

Baby girl I want to chill with you
Spending time with you, hot chocolate for two
Talk with you, all the things you do
And tell me what you like, what you love to do

'Cause you are the light, give me vibe to my life
'Cause you are my lady, so special to me
Hey hey

Feel your good vibration
That's what I want from you (that's what I want from you)
I want to get close to you (I want to get close to you)
And you're guaranteed satisfaction
What do I have to do (what do I have to do)
To make me get close to you (to make me get close to you)

Girl you know I'm not the kind of man
That could be so easy in love
But you gave the feeling that I never
I never felt before

'Cause you are the soul that brings joy to my life
'Cause you are my lady, you're so special to me
Hey hey

Feel your good vibration
That's what I want from you (that's what I want from you)
I want to get close to you (I want to get close to you, yeah)
And you're guaranteed satisfaction (you're guaranteed satisfaction)
What do I have to do (what do I have to do)
To make me get close to you (to make me get close to you)

Maybe you and I could be
Maybe you and I could be
Maybe you and I could be
Maybe you and I could be
Maybe you and I could be (you and I could be together)
Maybe you and I could be
Maybe you and I could be
Maybe you and I could be

What do I got to do just to get through to you
Only if it's cool with you, let me feel the vibe with you
What do I got to do just to get close to you
Only if it's cool with you, let me feel the vibe with you
Let me feel the vibe

Feel your good vibration (let me feel it)
That's what I want from you (that's what I want from you)
I want to get close to you (I want to get close to you)
(Let me feel the vibe)
And you're guaranteed satisfaction (let me feel it)
What do I have to do (make me get close to you)
Let me get close to you (let me get close to you, yeah)
(Let me feel the vibe)
Feel your good vibration (let me feel it)
That's what I want from you (that's what I want from you)
I want to get close to you (I want to get close to you, yeah)
(Let me feel the vibe)
And you're guaranteed satisfaction (alright alright)
What do I have to do (what do I have to do)
To make me get close to you (just to get close to you yeah)

So what I got to do to make you fly up high
(Give me good vibration, make my fly up high)
So what I got to do to make you fly up high
(Show me your affection, make me fly up high)
So what I got to do to make you fly up high
So baby if it's cool with you maybe we can fly
(Show me your devotion, fill me with affection, give me satisfaction, someth
ing about you and I)

Maybe we can fly
Let me feel the vibe with you
With you
