

My God

Mallary Hope

He's got, He's got the whole world in His hands
He holds the stars in His arms
The sun and the moon, the wind and the waves
They rise and fall on His command

My God, He's the giver of endless grace and
The King above all creation
And still, He knows my name, yeah
My God, loves me deeper than the deepest ocean
Always with His arms wide open for me
He is my God

How can the maker of the whole universe
Seek me out and want my heart
And all I can offer are these guilty hands
But they've been washed clean the moment You forgive

My God, He's the giver of endless grace and
The King above all creation
And still, He knows my name, yeah
My God, loves me deeper than the deepest ocean
Always with His arms wide open for me
He is my God
Oh-oh-ooh, oh-ooh-oh-oooh
He is my God

Through all the ages He will never change
He is the truth, He is the life
He is yours, and He is mine

My God, He's the giver of endless grace and
The King above all creation
And still, He knows my name
My God, loves me deeper than the deepest ocean
Always with His arms wide open for me
He is...

My God, He's the giver of endless grace and
The King above all creation
And still, He knows my name
My God, loves me deeper than the deepest ocean
Always with His arms wide open for me
He is my God
Oh-oh-ooh, oh-ooh-oh-oooh
He is my God
