

Psycho Killer

Mallory Knox

It's time to put you away
You're an antidote to love
You couldn't draw the line
With such a selfish mind
Wish I could put you back in your cage
There's gotta be another way
For you to do your time
'Cause I've done mine

Say what you want
But I'll be banging on the door till you stop

'Cause you're a Psycho Killer
'Cause you're a Psycho Killer
Yeah, you're a Psycho Killer to me
'Cause you're a Psycho Killer
'Cause you're a Psycho Killer
Yeah, you're a Psycho Killer to me

Twisted, sick in the head
A penny for your thoughts
I'd never spend another dime
(Can't save it, can't save it)
In my lifetime
(Can't save it, can't save it)
You can't save what's already dead
You're the devil's now
For all the hate you feel inside
You should be fine

So go say what you want
But I'll be banging on the door till you stop

'Cause you're a Psycho Killer
'Cause you're a Psycho Killer
Yeah, you're a Psycho Killer to me
'Cause you're a Psycho Killer
'Cause you're a Psycho Killer
Yeah, you're a Psycho Killer to me

So take some time
To ease your mind
You're safer inside
Safer to hide
No light at night
Cause I know it's not easy
The way that you're feeling
You cannot console
Cracks in the road
Nowhere to go
Hold tight or lose it all

So go say what you want
But I'll be banging on the door till you stop

'Cause you're a Psycho Killer
'Cause you're a Psycho Killer

Yeah, you're a Psycho Killer to me
'Cause you're a Psycho Killer
'Cause you're a Psycho Killer
Yeah, you're a Psycho Killer to me
