

Arm's Length

Mallrat

You're almost at an arm's length now
My hand is close enough to hold
Stay in my palm for now
And wrapped around my finger's gold like
You, and everything you do
You're almost at an arm's length now

We're almost at my house right now
You pick me up and drive me home
And you're the sweetest boy
The sweetest thing I've ever known
It's you, I'm looking forward to
You're almost at an arm's length now

I know you've got a girl at home
But she's at home and we're alone
And I'm so close to you
The stars align, it's overdue
Tell me true, what am I to you?
You're almost at an arm's length now

I just bought a wedding dress
I know you haven't asked me yet
But when you do, I might say "yes"
Oh I just bought a wedding dress
I know you haven't asked me yet
But when you do, I might say "yes"

You're almost at an arm's length now
My hand is close enough to hold
Stay in my palm for now
And wrapped around my finger's gold like
You, and everything you do
You're almost at an arm's length now
