

## Hold Close

Mallrat

I wanna hold you close  
'Cause I wanna hold you close  
I wanna hold you close  
'Cause I wanna hold you close  
I wanna hold you close  
'Cause I wanna hold you close  
I wanna hold you close  
'Cause I wanna hold you close

Hold on, no, don't go  
If you're feelin' somethin'  
Would you wanna let me know?  
Oh, I see, it's my time  
But I'm holdin' back  
'Cause I wanna hold you close  
Hold on, no, don't go  
If you're feelin' somethin'  
Would you wanna let me know?  
Oh, I see, it's my time  
But I'm holdin' back  
'Cause I wanna hold you close

I wanna hold you close  
'Cause I wanna hold you close  
I wanna hold you close  
'Cause I wanna hold you close

(Feel, feel, would you, wanna)  
Feel, would you, wanna, hold you, feelin', would you, back, close  
Feel, feel, would you, wanna, hold you, feelin', would you, back, close  
Feel, would you, wanna, hold you, feelin', would you, back, close  
Feel, feel, would you, wanna, hold you, feelin', would you, back, close  
Feel, would you, wanna, hold you, feelin', would you, back, close  
Feel, feel, would you, wanna, hold you, feelin', would you, back, close  
Feel, would you, wanna, hold you, feelin', would you, back, close  
Feel, feel, would you, wanna, hold you, feelin', would you, back, close  
Feel, would you, wanna, hold you, feelin', would you, back, close  
Feel, feel, would you, wanna, hold you, feelin', would you, back, close

I wanna hold you close  
'Cause I wanna hold you close  
I wanna hold you close

'Cause I wanna hold you close
