

Radio

Mallrat

Not even they can stop me now
Boy, I'll be flying overhead
Their heavy words can't bring me down
Boy, I've been raised from the dead

No one even knows how hard life was
I don't even think about it now because
I finally found you

Now my life is sweet like cinnamon
Like a fuckin' dream I'm livin' in
Baby, love me 'cause I'm playin' on the radio
Pick me up and take me like a vitamin
'Cause my body's sweet like sugar venom, oh yeah
Baby, love me 'cause I'm playin' on the radio

American dreams came true somehow
I swore I'd chase them till I was dead
I heard the streets were paved with gold
That's what my father said

No one even knows what life was like
Now I'm in L.A. and it's paradise
I finally found you
Well, now my life is sweet

Now my life is sweet like cinnamon
Like a fuckin' dream I'm livin' in
Baby, love me 'cause I'm playin' on the radio
Pick me up and take me like a vitamin
'Cause my body's sweet like sugar venom, oh yeah
Baby, love me 'cause I'm playin' on the radio

Well, now my life is sweet
Like cinnamon
Like a fuckin' dream I'm livin' in
Baby, love me 'cause I'm playin' on the radio
Pick me up and take me like a vitamin
'Cause my body's sweet like sugar venom, oh yeah
Baby, love me 'cause I'm playin' on the radio

Mm, ooh, ah
Ah, ooh, mm
