

## The Ignorant...

Malrun

Blinded  
Weaving a veil that surrounds  
Leaving your marks all around  
Changing the fabric of reality

Deafened  
Taming with my belief  
Am I to blame for the grief?  
How did I lose sight of  
All I once held dear?

In your shadow  
I felt so weak

Down from my hole  
Far below  
Watching you fall  
Slowly crumbling down  
All around  
Suddenly I know  
Time to grow  
Taking a stand  
Finally realize  
I'll be alright

Won't back down for no one  
I'm good here on my own now  
Rise to seize the day

Down from my hole  
Far below  
Watching you fall  
Slowly crumbling down  
All around  
Suddenly I know  
Time to grow  
Taking a stand  
Finally realize  
I'm alright
