

Tu Vecina

Maluma

Tu vecina wonders why we been so quiet lately
Tu vecina wonders why you ain't been screaming "Baby"
I used to bang, bang, bang that on the daily
Tu vecina, tu, tu, tu, tu, tu, tu, tu (Maluma, baby)

Llevamos rato sin darle cariño al perro
Y tu vecina seguramente creyendo
Que nos mudamos pa' otro lado, yeah
Que ya no escucha ruidos raros

Ella es testigo de lo que tú yo hacemos
Y ha de pensar ahora mismo que no te quiero
No hagamos nada que parezca, yeah
Que estoy comiendo en otra mesa, ah

It's been too long since I heard
Heard how you scream out my name
I'm startin' to feel something's wrong
She feels the tu, tu, tu, tu, tu, tu

Tu vecina wonders why we been so quiet lately
Tu vecina wonders why you ain't been screaming "Baby"
I used to bang, bang, bang that on the daily
Tu vecina, tu, tu, tu, tu, tu, tu

Tu vecina is asking if I'm here to release tension
Tu vecina needs to know I still take you to heaven
I used to bang, bang, bang that on the daily
Tu vecina, tu, tu, tu, tu, tu, tu, tu (Dolla Sign)

Tu, tu, tu vecina
Where she go? I haven't seen her
Let me know if it's something that I said
Is there somebody else in my bed, oh no
Messin' with my head
Oh, somebody in takin' my place
You had a thick yeah, you was my babe
Now you comin' lookin' at you sideways

Damn, we used to bang, bang
Hit it from the back, break the bed frame
Ass in the air like "Toot, toot"
I got a new man, he a goof true
Oh shit, no, I can't be replaced (Oh shit)
Baby, look at my face (Oh shit)
Do I look like I'm phased (Oh shit, oh shit)
Maybe just a little bit, yeah

It's been too long since I heard
Heard how you scream out my name
I'm startin' to feel something's wrong
She feels the tu, tu, tu, tu, tu, tu

Tu vecina wonders why we been so quiet lately
Tu vecina wonders why you ain't been screaming "Baby"
I used to bang, bang, bang that on the daily
Tu vecina, tu, tu, tu, tu, tu, tu

Tu vecina is asking if I'm here to release tension
Tu vecina needs to know I still take you to heaven
I used to bang, bang, bang that on the daily
Tu vecina, tu, tu, tu, tu, tu, tu (Tu vecina)
