

Broken Bones

Mamalarky

La la la la la la, la la la la la la la la la
La la la la la la, la la la la la la la la la

Look at you, you're falling out the sky
Broken bones, but you'll be just fine
Fallen angel, are you alright? Alright?

I would never let my feelings show
Let my feelings show when you come around
Would never let my feelings show
Let my feelings show

La la la la la la, la la la la la la la la la
La la la la la la, la la la la la la la la la

Wish that I could open up to you
But I can't be sure what you'd do
Give me something just to hold onto, hold onto

I would never let my feelings show
Let my feelings show when you come around
Would never let my-, let my-, let my-

I would never let my feelings show
Let my feelings show when you come around
Would never let my feelings show
Let my feelings show

La la la la la la, la la la la la la la la la
La la la la la la, la la la la la la la la la
