

## Feels So Wrong

Mamalarky

I have never been original  
My given name is Olivia  
I just changed it when I was a child to say  
You will remember me anyway

It feels so wrong  
It feels so wrong  
It feels so wrong  
It feels so wrong

I don't wanna stir up worry now  
I will figure things out somehow  
I don't think I ever told myself I will  
Always be okay, you're doing great, it still

Feels so wrong  
It feels so wrong  
It feels so wrong  
It feels so wrong

I hope that you never know

It feels so wrong  
It feels so wrong
