Really though, Ain't nobody got time for this

Look at my eyes
Look at my lips
Look at my neck
Just look don't touch

Look at the way I
Wa walk it out
From side to side
Just look don't touch

Everywhere I go I get the feeling
Eyes on me, hot like fire
Slowly coming to me, my little monsters
That's enough

Move, out my way, pushing and pulling
This is crazy, I'm worried that I'll get hurt
Hey, excuse me, look at me
So tired of all these stories I hear

Ahh! Oop!
So pretty
Oh baby please
Behave yourself
Stop with the typical stories
I left far away
Ain't nobody got time for this

What use is it if you're just brave?
Is being good-looking everything?
You only hear echoes in your head, empty empty
You keep wanting to kiss
Well, we can talk if our levels match, right?
Just look don't touch

Every time you come a little closer
Your heartbeat gets louder pow pow pow
If this continues, you'll get hurt
It's a good idea for you to stay away

Go away, come here, pushing and pulling
This is crazy, I'm worried that I'll get hurt
Just give me 1 minute, 10 seconds
So tired of all these stories I hear

Ahh! Oop!
So pretty
Oh baby please
Behave yourself
Stop with the typical stories
I left far away
Ain't nobody got time for this

Listen to me boys

I don't need anything
Just be a man
Right?

Don't forget what I'm saying
Don't use your hands first
Gotta respect a girl

Now follow me
I don't need events
I don't need expensive things
It's good till now, right?
Listen when I get mad
Throw away your pride

Moon Star
You lose fish that you've already caught
It's like an aquarium, just sleep with holding hands
Trust oppa, are all guys like that?
Just like dad said, all guys are wolves
Hey you good for nothing (what)
You keep looking at my legs
You're not my type
Never, your necktie isn't cool
Fix it right now
I don't wanna see you, goodbye

I'll give you a chance, just don't screw it up
(Come on Baby Baby Baby)
This is crazy, I'm worried I'll get hurt
(Oh! I'm worried for you babe)
Don't just talk but think too
Be a man and come to me, this is so frustrating

Ahh! Oop!
You understand?
Oh baby please
Behave yourself
Stop with the typical stories
I've gone far away
Really though, Ain't nobody got time for this
