Angel

I don't care if you leave or not  
I feel relieved, as if I took off a heavy burden  
I know I know  
This determination is useless, I'm just running in place

I want you to feel the same way  
When I'm afraid that you'll grow distant  
I do, I do  
I won't look at you  
Please let me go away

I'm not an angel  
I'm not that kind of person  
I can't act calm in front of you

Bad emotions take over  
I wish you were unhappy  
'Cause I'm afraid I'll change because of you

But I'm trying to smile again

I don't think this feeling will pass easily  
It's dark even when morning comes

I know, I know  
It's so childish of me  
But what can I do?

I'm not an angel (Angel)  
I'm not that kind of person (Person)  
I can't act calm in front of you

Bad emotions take over  
I wish you were unhappy  
'Cause I'm afraid I'll change because of you

But I'm trying to smile again

(Whatever) I feel you  
(Whenever) Because I keep thinking about you  
I can't even get mad or cry  
I can't hide that I'm shaking  
I wanna love  
I'm just acting like I'm nice

I'm not an angel  
I can't be happy with you  
Bad emotions take over  
I wish you were unhappy  
'Cause I'm afraid I'll change because of you

But I'm trying to smile again

Angel
