DAD JOKES DAD JOKES DAD JOKES

What should I do? I'm late again today
I'm going crazy (Why don't you push sol?)
What's that, is it funny?
You'll think it on your way home

If I eat banana, will you fall in love with me?
Do you have any complaint? (No, I also have water)
Where are you? (I'm in Jeju Island)
You're talented, shaking my mind

Yo AZE, their dreams are big
I respect your sense
It's really really really amazing
It's reckless like a child
I think wordplay is kind of new idea
Mr. Know-It-All, nobody can stop you
Just smile brightly

Dad jokes, you're in middle age
Crooked, zigzag
Look at him
OMG look at him
You're in middle age

Dad jokes, you're in middle age
Crooked, everybody stop
Left hand on your waist
Right hand over your head
Handsome buddha's, everybody
Handsome buddha

Oh middle aged man, salt died
If salt died, it's bamboo salt
A few days ago, I learned some
From a middle aged man to write these lyrics

Let's go
A married peach is wedding peach
Everyone's pie is wifi
SNSD at a clothing store "Do you sell T-shirts?"
If cow goes up, it's creepy
It's too much, yes, you can be a radish
If you're not careful, you'll have a hard time

Dad jokes, you're in middle age
Crooked, zigzag
Look at him
OMG look at him
You're in middle age

Dad jokes, you're in middle age
Crooked, everybody freeze
Left hand on your waist
Right hand over your head
Handsome buddha's, everybody
Handsome buddha, jump!

Dad joke, oh I have a headache

Ah, sorry

Dad jokes, you're in middle age
Crooked, zigzag
Look at him
OMG look at him
You're in middle age

Dad jokes, you're in middle age
Crooked, parade rest!
Left hand on your waist
Right hand over your head
Handsome buddha's, everybody
Handsome buddha, jump

Dad joke, oh I have a headache
Middle aged man, shhh
