Every day, I only looked at you
Now when I close my eyes, I can see you
Like I just ran 100 meters
My heart is already racing
On my way to see you
Singing like

Da da darada da da darada
Da da darada da da darada
Sing a song on and on
Da da darada on and on
Maybe I fall in love with you oh
Sunshine
Gentle breeze
You and I

Come to me, hurry and hold me
Walk with me on this path where
Flower petals fall like rain
Don't have to say anything
If only I'm with you

I can't sleep
When this night is over
I will see you
Even the moonlight is warm
Only when I think about you
Whenever I play my piano

Da da darada da da darada
Da da darada da da darada
Sing a song on and on
Da da darada on and on
You're the one and only
That I give my everything
I feel you every
Moment that I breathe

Come to me, hurry and hold me
Walk with me on this path where
