It's frustrating, your awkward attitude

It's too vague for my heart to be stolen away (Vague)

Who acts that tough these days?

I'm not interested in that, it's boring

Fluster me in a new way

Even if there are

Many eyes on me, no problem

I can't hear anything, blah blah

Come closer

Don't hesitate

Come on over

Don't be frustrating

That's no, that's no

It won't come again

This time and moment

Hug me like a beast

Hwasa Moonstar

Everybody put your hands up

I'm gonna do what I want

Trust me and follow me

It's frustrating, what are you whispering?

Come here and pray, pray (Pray)

Even if it's awkward, just poke me

You'll go home and regret (Regret)

You probably want me to go to you

But I won't go to you today

Though we're the similar age

And I do like your type

Don't hesitate

Come on over

Don't be frustrating
That's no, that's no

It won't come again
This time and moment
Hug me like a beast

Hwasa Moonstar
Everybody put your hands up
I'm gonna do what I want
Trust me and follow me

Hwasa Moonstar
Everybody put your hands up
I'm gonna do what I want
Trust me and follow me

Suddenly, you're walking towards me
You're right in front of my face, hey, whoo

Don't hesitate
Come on over
Don't be frustrating

It won't come again
