Just vibing in a corner of my room
Like I've been left behind by the world

Even summer's over
Days and nights are depressing
But I can't seem to go anywhere

Vitamin D deficiency
Wasting money on delivery fees
Even though the weather's so nice out
I'm living like a shut-in, yeah

Sure I'm chilling, but it's pretty lonely
Don't you wanna detox?

Dingga Dingga day
Let's have a drink when everyone gets here
Drink like a like a like a fish
Ding-a-ding ring-a-ling

I wanna have fun, yeah
Dingga Dingga Dingga Dingga

1, 2, 3, 4 Hey guys
Why we you all so angry?
It's making us sad
Let's treat ourselves
I need to love myself
All I need is your heart
Oh me oh my ay

Just watching TV shows
I wanna go for a drive (really wanna go)
Run in a video game
Time is ticking, ticking
Don't hold your breath

The fade out of my youth
Go somewhere with friends
While we sweep away all this dust
Let's role play
