Lately I'm lost

In my feelings and thought about you

Sometimes I wonder if you love me

Or if it's something else

I'm curious when I look into your eyes

You're vague you're vague I really can't figure it out Yeah

Sometimes I don't know if I've really fallen for you

Or I've I'm going crazy

If my heart is attracted to the way you look at me

Or if I'm flattering myself

If my own feelings are real

I'm confused it's weird

Love makes me weird sometimes

It makes me so foolish things

Sometimes I can't understand myself

If I follow where my heart leads me

I'll Never Never know what I'm doing

I won't be able to know

Never Never Never Never Know

Never Never Never Never Know

What is the problem with me

I think I'm an idiot

(What is this? Emotion)

Why am I being like this

I can't be still for one second

What the hell is this

I used to have gruff expressions

And wear boyish clothes

Now I wear high heels, lipstick and short skirts

Things about myself are changing one by one

Into this mysterious emotion

I keep falling for it

I keep saying no

But my heart says it all

My heart beats when I think of you

The world scares me that

I was unable to do anything

Because my heart is heavy

I couldn't see how beautiful you are

Once I found out about my feelings

The light came into me

Love makes me weird sometimes

It makes me so foolish things

Sometimes I can't understand myself

If I follow where my heart leads me

I'll Never Never know what I'm doing

I won't be able to know

If my heart can reach a faraway galaxy

Woo Wag Woo Wah Yeah

If I can follow the light

I want to forever send

My love for you

Love makes me weird sometimes
It makes me so foolish things
Sometimes I can't understand myself
If I follow where my heart leads me
I'll Never Never know what I'm doing
I won't be able to know

Never Never Never Never Know
