Something happening? Just keep walking woo (ha)  
(You you) this is the first time you see someone with a fish net?  
Something new to you, don't like it?  
(I don't care)  
Attitude and stubbornness, bad girl  
Her cockiness that won't stop  
I'm gonna do whatever I want, I'm Napoleon  
I'm gonna make a noise today with purpose

Boy I like to drink  
Boy I, boy I like to drink  
Boy I like to drink  
Boy I, boy I like to drink  
You small thing, have some respect  
You never listen to me  
Boy I like to drink  
Boy I, boy I like to drink  
Boy I like to drink  
Boy I, boy I like to drink  
Last year when I was a teenager, felt even more rebellious  
Let me have more fun, it's my heart

Don't don't push me,  
This is me, the bad me  
What if I don't look too pretty, why would I hide?  
I'm just enjoying as it is  
Don't don't bother me,  
I'm not afraid, this stronger me  
I don't care, it's my heart

I'm gonna work hard and get money then go to nail-salon

Rabbit rabbit I'm just like that froggy  
Seven-year-old boy who won't listen  
Peekaboo peekaboo, everyone gets surprised  
Everyone shakes their head at me  
I'm really good at making noise  
Even my boss saw me  
When the young ones get into trouble, everyone's gets red, huh  
It's whatever I want  
Everybody let's have some fun, however we want

Dad says, "it's already over 10:30 pm"  
Ah, let me be out for a little longer  
I'm getting crazy, don't suffocate me  
(Boy I like to drink)

Boy I like to drink
