你是 唯一 的 星星
你是 唯一 的 星星
You are the only one my star

但是 每 次
我 呼 吸 的 每 一 刻
但是 我 再 不 呼 吸
But every time I breathe
我 呼 吸 的 每 一 刻
我 呼 吸 的 每 一 刻
I wanna be your love

你是 唯一 的 星星
你是 唯一 的 星星
你是 唯一 的 星星
You are the only one my star
My star my star my star star
My star my star star star
My star my star

Innumerable stars
Like they're filling the night sky
Without realizing it, one moment
A star was embroidered in me you're my star

In every way, you're unique
There are no words to express it all
It can't be compared to anything
Look at that look at that (ay)
That's amazing

Only one
You're a shining masterpiece
Blindingly shine on me
You make me live
In the world that is you

In the deep darkness that had nothing
The light that is you makes me exist
Embrace and hug everything
You are the only one, my shining star
My star my star my star star
My star my star star star

My film in the change
Crave affection
Ashy color except for you
Anticipating tomorrow
When I see you, my mind becomes a blank paper

I can feel it if it's you, love of my life
It's like fate when I see it
I can't control my mind
You are my shining star
I wanna be where you are

Only one
You're a shining masterpiece
Blindingly shine on me
You make me live
In the world that is you

In the deep darkness that had nothing
The light that is you makes me exist
Embrace and hug everything
You are the only one, my shining star

What seemed like would be forever
Even those stars soon lose their light
You can't restore it anymore
But every time I breathe
That my heart is beating
I can't feel it through you
I wanna be your love

In the deep darkness that had nothing
The light that is you makes me exist
Embrace and hug everything
You are the only one, my shining star
My star my star my star star
My star my star star star
My star my star
