Give it up, stupid

The reflection of an aura in the mirror  
Even I get startled looking at my reflection  
Here and there people turn to glance  
Everybody get get get get get it up  
Woo yeah!

You're probably regretting now  
You probably don't even remember  
Now I am Beyoncé - By anyone's standards I'm sexy  
A woman's change is limitless

Don't be so shy come on  
In the past you treated me poorly  
Even if I changed much  
The way you look at me changed completely

I say no no no (I say no no no)  
I think the boss in this relationship changed  
I know you. Starting today, it's your turn to be anxious  
Come in up baby turn it up now  
Come in up baby turn it up  
I'm the winner winner winner winner winner  
Now it's my turn to smile

Sexy lady aura  
Look again and still be startled  
Silly boy rude boy you're being so antsy  
Everybody get get get get get it up  
Woo yeah

You must be on the edge of your seat  
Are you anticipating my phone call?  
You're like a little child who wants to suck on candy  
OH MY GOSH, Noona will teach you so don't be shy

Don't be so awkward come on  
You called me your friend before  
Even if I changed much  
Your tone of voice for me changed completely

I say no no no (I say no no no)  
I think the boss in this relationship changed  
I know you. Starting today, it's your turn to be anxious  
Come in up baby turn it up now  
Come in up baby turn it up  
I'm the winner winner winner winner winner  
Now it's my turn to smile

I'm pretty Moon-Star uh  
My noticeable new beauty  
Puts me in the center of the attention  
I catch everyone's eyes, and this honor goes to you  
But unfortunately now you're the prey in this food chain  
Hey man I say no, rock paper scissors. I've had enough  
Covering your two eyes and playing pretend (play by yourself)  
Be quiet. Wash your two feet and go to bed

I say no no no (I say no no no)  
I think the boss in this relationship changed (Ooh!)  
I know you (you you you you)  
Starting today, it's your turn to be anxious (Ooho~o~o ohoh)  
Are you mad yet? Peek-a-boo! Let's just stay as friends  
If you try hard enough though, I'll see you once in a while  
I'm the winner winner winner winner winner  
Now it's my turn to smile

Give it up stupid!
