

# Right?

**Mammoth WVH**

Well, oh well  
How much longer can we all pretend?  
Care to sell  
Any other things you'd recommend?

Wait  
Is it too late to  
Stay?  
Is this another  
Phase  
For you to try and make me feel this?

Wait  
Is it too late to  
Stay?  
Is this another  
Phase  
For you to try and make me feel this way?  
Is this another plan to make me feel this way?

Seems like it's all coming back again  
What's my problem? Where do I begin?  
I don't want to love you  
But I won't have it any other way

Well, oh well  
Did you plan to fumble this and fail?  
I can't tell  
How much further can you drag me down  
And make me feel this way?  
Is this another plan to make me feel this way?

Seems like it's all coming back again  
What's my problem? Where do I begin?  
I don't want to love you  
But I don't want it any other way

Right?

Seems like it's all coming back again  
What's my problem? Where do I begin?  
Seems like it's all coming back again  
What's my problem? Where do I begin?  
I don't want to love you  
You'll be just fine  
I don't want to love you  
But I won't have it any other way
