Man Man

Things that I've seen (What!)
Can't go unseen (What!)
A walk in the park (What!)
A girl in the tree (Girl!)

Twenty feet up I see
(Pretty pretty bird, pretty pretty bird)
A luminous egg in her teeth
(Pretty pretty egg, pretty pretty egg)
I am the egg

A man tried to stop her (Just wanna talk)
A man tried to stop (Just wanna talk)
A man—
Just wanna talk
Just wanna talk
Just wanna talk
Just wanna talk
Just wanna talk to her

(She bites his leg)
She bites his hand
(She bites his neck)
She bites his ribs
(She bites his head)
She bites his nose lobe
(She bites his ear)
Don't call the cops
(He call the cops)
He call the cops
(He's hard as a rock)
Don't shoot her head
(He's hard as a rock)

I disappear
I am not here
Poof

(I am a witch) witch, witch, witch
I am a witch
