MAN WITH A MISSION

Koboreochita namida-te de fui waratta
Shigamitsuita yume ni o wakare o shita nda
Kokoronouchi mo kaite uka suru chō no yō ni
Ima wa wakatta nda Everything was finished

In perfect clarity
Drowning in insanity
Tada yumemita kieyashinai kizu
Gomakashi daki kakae
So shine on me dare no tamede wanaku
The one and only remedy
It's perfect clarity

All the troubles and gravity
We never chose to surrender
The times of beauty and purity
Like they invented us together

Inori kitta akueriamu
Oyogu tashu-gyo no yō ni
Sumōku-mamire no sora
I looked up and gazed

Perfect clarity
Drowning in insanity
Sayonara sekai
Bokura wa ashita no saki e to tada iku yo
So shine on me garakuta wa sutete
The one and only remedy
It's perfect clarity

In perfect clarity
Drowning in insanity
Tada yumemita kieyashinai kizu
Gomakashi daki kakae
So shine on me dare no tamede wanaku
The one and only remedy
It's perfect clarity
