

REACHING FOR THE SKY

MAN WITH A MISSION

Walking back now
In my memory lane
Something changed from I thought what was mine

In the blue town
As I'm feeling vague
Flipping through blank pages with no line

Kirisaka re-sōna hikari ga
Rodjiura o mukishitsu ni some

Miwatasukagiri no uso ga
Bokura no itami o yawarageru

You should try it
It's the time to dare
We should try it
Don't be scared of bystanders

Sazameita machinohi ga
Utsumuku ashioto kaki keshi

Kizu tsuita mune daki
Bokuraha tada sora miageru

Don't be afraid, be afraid
Daredatte mayoi tomadotte iru nda

Don't you change, don't you change
Itsu datte arinomama no kao misete

You should try it
It's the time to dare
We should try it
Don't you care

Reaching for the sky
I will not stay
Won't hesitate
Live for today
My hands are in the air
Reaching for the sky
I will not pray to find my way
I can go anywhere

All the burden
All the junk I made
Squeezing, weighing on my future all along

In the rain now
Like a waterfall
Sanctifies every sadness and the wrong

Ano kumo no sora no kanata
Kurayami yori motto sakidarou

Arata ni otozureru yō ga

Bokura ni hohoemu yō ni

You should try it
It's the time to dare
We should try it
Don't you care

Reaching for the sky
I will not stay
Won't hesitate
Live for today
My hands are in the air
Reaching for the sky
I will not pray to find my way
I can go anywhere

Woah Woah Woah
Woah Woah Woah
Woah Woah Woah
Woah Woah Woah
Woah Woah Woah
Woah Woah Woah

So don't you ever fold the game
There's still some more for us to bet and us to play
The goal is there
The others come for us to claim
But we will not give in
We'll never be engaged or tamed
Proclaim in ya name
Don't you fold the game

The call is yours
Don't you ever fold the game
The call is yours
Don't you ever fold your game
The call is yours
Don't you ever fold the game
The call is yours
Don't you ever fold your game

Walking back now
In my memory lane
Something changed from I thought what was mine

In the blue town
As I'm feeling vague
Flipping through blank pages with no line
