

Sleepwalkers

MAN WITH A MISSION

Swathe me in the moonlight floating in the sky
Feeling all the freedom What a so good night
Nothing here to worry nothing here to weep
Tell me one good story to let it go and sleep

Hanging with the fairies Tell me what to do
Scrabble with the angels Give me one more clue
Teach me all your secrets all that I can keep
Tell us one good story and let us go to sleep

See him flow I keep forgetting the reason again
Now I found what is honesty

Itsu kara ka boku wa mite ita mite ita n da
Owaranu yume o
Itsu ka wa kawareru ki ga shita ki ga shita n da
Someday I ll reach my home

Flying through the mountains flying with the breeze
Hide and seek in forests Will you dance with me
Give me all your secrets sinking in the deep
Tell us one good story and let us go to sleep

See her flow I keep forgetting the reason again
Now I found what is honesty

Itsu kara ka boku wa mite ita mite ita n da
Samenai yume o
Dare ka ni yobareta ki ga shita ki ga shita n da
Someday I ll reach my home

See them flow I keep forgetting the reason again
Now I found what is honesty

Owaranu yume o
Itsu ka wa kawareru ki ga shita
Someday I ll reach my home
Itsu kara ka boku wa mite ita mite ita n da
Samenai yume o
Tōku de yobareta ki ga shita ki ga shita n da
Someday I ll reach my home

Swathe me in the moonlight floating in the sky
Feeling all the freedom What a so good night
Nothing here to worry nothing here to weep
Tell me one good story to let it go and sleep
