Everyone's drinking champagne  
Get me some popping pumpkins  
It's fine with eating but tonight's the only night  
The great escape of life  
Hey kids don't be shy  
Come and say

Trick or Treat ?

Let's dance, sing a song with lalalala  
And you say wow wow wow sing a song yeah  
Let's dance, sing a song with lalalala  
Come and say wow wow wow, sing along yeah

Warm light is swinging in stoves  
Put on the mask and the gloves  
It may be spooky, but under the masks  
All staff's are laughing  
Don't be afraid
