Better 'Cause of You

Manafest

Mr. Manafest is back
Fists up in the air attack
This the year I almost cracked
Souvenir among the pack
Tour around because of rap
Wind me up and let me smash
Take me home and put me in
Turn me on and hear me sing

Post my picture on your wall
Read about me on the blog
Go online and get my songs
Buy them all and party on, yo!
I won't be the one to fall
Follow me I carry on
Hit you like a sabotage
Kick it like I'm at a park
Get em off, get me lost
Hide me in this room and lock
The door and toss the key away
I'd rather be alone "okay"
A stow away, go away
Can't you see, don't bother me
Get out or I'm gonna freak

Hey, I need a place
To get composure
Now, I need your face
To get me over
Unbelievable how I stay sober
I can feel Alive,
I'm better cause of you

Round and round I tour the globe Show to show, I flip the flow I sip a soda hit the sauna Chilling sober still a soldier Sister, mother, fatal father, Fist to sin I finish farther It's like I'm treading water Sinking and it's getting darker Mr. Mana needs to manage his anger His tantrums going bananas It's random hands in a panic He's standing Ramping up to blow up The gold rush, is so hush Yo, know what, I think I've had enough Pull me up I'm getting out here I'm out of control Fear has taken it's toll I'm going back to my home Follow me if you want It's not easy I warn

But it gets results baby Won't you leave me alone, oh

Hey, I need a place
To get composure
Now I need, your face
To get me over
Unbelievable how I stay sober
I can feel Alive,
I'm better cause of you

I act like I don't know you
I crash you're the first I go to
When I'm down and feeling alone
"I'm better off with you"
I act like I don't know you
I crash you're the first I go to
When I'm down and feeling alone
"I'm better off with you"

Hey, I need a place
To get composure
Now, I need your face
To get me over
Unbelievable how I stay sober
I can feel Alive,
I'm better cause of you
