

Brain Dead

Manafest

They say I'm brain dead
I can't earn a paycheck
My life's just a train wreck
But I don't care
I'm gonna be a billionaire

Burrry my dreams in the ground
Head in the clouds
Just a problem child
Adhd in the mouth
Kicking me down
Turns out ye the clown
Uh oh, you think ye know me
Nah ah, ye not my homie
All I ever wanted was to
Be enough
Try to keep me down
But I'm reaching up
I won't behave
I'm not your slave

They say I'm brain dead
I can't earn a paycheck
My life's just a train wreck
But I don't care
I'm gonna be a billionaire
Brain dead
I can't even make rent
They think I'm a reject
But I don't care
I'm gonna be a billionaire

Billionaire
Watch me be a billionaire
Pulling me out of the crowd
Wearing the crown
Passport to the wild
Having my fears & my doubts
Look at me now
No I'm never coming down
Uh oh, you think ye know me
Nah ah, ye never hold me
I'm a dirty diamond
In the rough
Dug me out and cleaned me up
I won't behave
I'm not your slave

They say I'm brain dead
I can't earn a paycheck
My life's just a train wreck
But I don't care
I'm gonna be a billionaire
Brain dead
I can't even make rent
They think I'm a reject
But I don't care

I'm gonna be a billionaire

Brain dead
I'm not brain dead
I'm not every gonna stop
Though you wanna see me fall
Never gonna stop
Even when I hear you say
I'm brain dead
I can't earn a paycheck
My life's just a train wreck
But I don't care
I'm gonna be a billionaire
Brain dead
I can't even make rent
They think I'm a reject
But I don't care
I'm gonna be a billionaire
I'm not brain dead
I'm not brain dead
Billionaire
Watch me be a billionaire
Watch me be a billionaire
