Manafest

One shot, two shot
Take your best to
Show us what you got
Show us what you got
Back up, back up
Get smashed up
Tell us what you want
What you, what you want

We're number one
Number, number one, one
We're number one
When we comin' in we'll be comin' in hot
When we comin' in we'll be comin' in hot

You heard of us
We're dangerous, dangerous
You heard of us
We're dangerous, dangerous

Dangerous
Dangerous

Won't stop, don't stop
'Cause we can't stop
Take it to the top
Take it to the top

Blast off, hats off

Come and get it
You can all come and get it

We're number one
Number, number one, one
We're number one
When we comin' in we'll be comin' in hot
When we comin' in we'll be comin' in hot

You heard of us
We're dangerous, dangerous
You heard of us
We're dangerous, dangerous

Dangerous
Dangerous

We're number one
Number, number one, one
Watch 'em run
When they see us come
We're on the hunt
Watch 'em come undone
See 'em run
'Cause we're number one
We're number one

You heard of us
We're dangerous, dangerous
You heard of us
We're dangerous, dangerous
You heard of us
We're dangerous, dangerous
You heard of us
We're dangerous, dangerous

Dangerous
