

# Guess Who's Back

Manafest

Surprise guess who's back  
S.O.S  
Left for dead  
Thought I'd left  
Did you forget me  
Bury me like a seed  
But I grew up and blew up  
I knew once I knew what was  
New blood and set free  
Yeah  
Survived,  
Rise again  
Here I am  
On the mend  
Off the fence  
Stuck like a memory  
Bury me like a seed  
But I grew up and blew up  
You knew once I knew what was  
New blood and envy

Guess who's back  
Ya'll know the name  
Guess who's back  
Guess who's back  
Ya'll know the name  
Been through the fire  
But I'm not the same  
Guess who's back  
Ya'll know the name  
I'm like a phoenix  
I rise from the flame  
Guess who's back  
Guess who's back  
Guess who's back  
Guess who's back

Returned  
Here I stand  
In command  
Never flinch  
Never planned  
Worth every penny  
Test me I rebound  
I came round  
No way out  
There's no way  
There's no how  
I storm like dark cloud  
Ha  
Alive  
Better then ever  
I weathered  
The stormy  
The glory  
No warning  
Back to tell

Ring the bell  
Rise and fell  
Shakeup hell  
Raised me well  
Broke the spell  
Ha ha,

Guess who's back  
Ya'll know the name  
Guess who's back  
Guess who's back  
Ya'll know the name  
Been through the fire  
But I'm not the same

Guess who's back  
Ya'll know the name  
I'm like a phoenix  
I rise from the flame  
Guess who's back  
Guess who's back  
Guess who's back  
Guess who's back

I'm like a hybrid  
Racking up the mileage  
Diamond in the rough  
Shining  
Oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh

Guess who's back  
Ya'll know the name  
Been through the fire  
But I'm not the same  
Guess who's back  
Ya'll know the name  
I'm like a phoenix  
I rise from the flame  
Guess who's back  
Guess who's back  
Guess who's back  
Guess who's back
