

## Jack & Jill

## Manafest

Yo man, I'd have to say,  
the best thing that ever happened to me was  
When I was nineteen  
Old school rocking them ripped jeans  
Eating ice creams  
Life was but a pipe dream  
I like nice things  
Diamonds and wide screens  
I was a kid turned king  
Looking for prom queen  
Then I saw her  
Caught her eye staring back  
We were a match made  
No other guy had a chance  
She played it cool though  
Never moving too slow  
Asked her out on a date  
Of course and then you know

We fell in love man, we hung out like every single night  
We talked till like 2 in the morning man  
Were like the two thousand and something version  
Of june carter and johnny cash baby  
We toured the world together,  
Building this empire for god  
Yo we still in love man, we still in love

Jack and Jill  
We climbed up our share of hills  
Alive to share it still  
God bless the feris wheel  
Stayed close  
For 10 years even broke  
Paid it back  
Watching chips, whips, start to stack  
Living hand to mouth  
All you hear is the doubt  
The fight  
The now  
The will  
It's the how  
I thank Jesus got are life together now  
Wow  
It's a miracle  
Supernatural power

We were so broke man, we didn't have a car,  
I remember walking to  
The grocery store in the freezing snow and.  
We were like making sure we didn't go over budget  
When we were at the counter and,  
But we knew one day man,  
Walking back kind a laughing  
Just being like yo one day we'd be out of debt,  
One day god would answer our prayers.  
And he did man, check it

When you hear that voice  
You got to make that choice  
I changed what I fed my brain  
Switched friends switched lanes  
Stop driving took a plane  
Put money in the bank  
Get paid  
I'm not afraid  
Many left I stayed  
This is my dream I don't trade  
Putting food on my baby's plate  
Pancakes  
I love the sound a deal makes  
Hand shakes  
We left California  
Pump the breaks  
The t-dot's got a pretty landscape  
Uh  
We in swing, but not swinging  
She's the queen, I'm kinging  
Built for successful living
