## Manafest

Coming and coming they running  
Like I got a gun in the oven  
Drumming and drumming, I'm buzzing  
Cover me I'm going hunting  
Flood in, abundance I cut in  
I'm cunning I'm crafty I'm grunting  
Coming and coming, it's coming  
Jump in the whip and we gun it

Nothing can slow me down  
Too late to turn around  
Coming for the winners crown  
The time is, it's time to be

Legendary  
Ye gonna fear me  
Legendary  
Ye don't scare me  
Legends never die  
We multiply  
Heaven on are side  
It's time to rise  
Legendary  
Ye gonna fear me

Taking and taking, and taking them out  
Breaking, and breaking, and breaking them down  
Unstoppable no one is taking the crown  
Phenomenal, feel the roar of the crowd  
Setting a stage for the brave and the bold  
Ending the games taking the gold  
Go, for the goal, in the moment don't choke  
4,3,2,1 and I'm ready to blow

Nothing can slow me down  
Too late to turn around  
Coming for the winners crown  
The time is, it's time to be

Legendary  
Ye gonna fear me  
Legendary  
Ye don't scare me  
Legends never die  
We multiply  
Heaven on are side  
It's time to rise  
Legendary  
Ye gonna fear me

Legendary
