

## Mana Zone (Interlude)

Manafest

Welcome back to the Mana Zone, it's a fine summer night  
This is your host, Bri-alicious here, in the basement  
With a new joint that sounds pretty promising  
From that young brother Manafest  
So ladies, take off your sandals  
Put down your raspberry puree  
Sip on this living water from a promising young brother, Manafest  
This is called "The Ladies"  
You ready?
