

# No Plan B

## Manafest

I drop in with my face to the wind  
Spin 180 for the win  
But I can't find my feet it's like I lost the beat  
Mid air and there's no plan B's  
Hit the streets,

Look before I leap again,  
Skeleton filled with Adrenalin  
How can I know that I got what it takes?  
When I've come so far, through the rain  
Bear the pain

Makes no difference now  
Face myself or get taken out  
One more time got to live this loud  
Back to the wall no turning around)

It's too late It's my fate  
I can't turn around  
There's no fear, in the mirror  
To hold me down  
I'm too far, from the start  
Now I'm in too deep

I've got to stick to the plan  
Cause there's "no Plan B"

No turning back (No plan B)  
There's no other path, (No plan B)

And I know that this road is my destiny  
I've got to stick to the plan  
Cause there's no plan B

Get a shot, for the top on my soap box  
Pop a zit go sing let my tunes talk  
Cool kid, and I'm in the mood  
Give me combo number 2  
What's up wich you?

Dude you look scared to me, better take a chair  
Before you fail to see, A to Z like 3 times 3  
It's the basics, homie embrace it  
Come on!

Take the shot don't waste the clock  
March to the drum of the #1 spot  
Born for this, victorious  
Storms break off so glorious

It's too late It's my fate  
I can't turn around  
There's no fear, in the mirror  
To hold me down  
I'm too far, from the start  
Now I'm in too deep

All I know is I can't turn back, all I know is I can't turn back  
Got to leave it in the past, got to leave it in the past.  
All I know is I can't turn back, all I know is I can't turn back  
Got to leave it in the past, got to leave it in the past.

Cause this is the only road I've ever known,  
There's no way that I could start again, Again

It's too late It's my fate  
I can't turn around  
There's no fear, in the mirror  
To hold me down  
I'm too far, from the start  
Now I'm in too deep
