

# Plan For Me

Manafest

Dear son or daughter  
I know we never met  
I never saw your first breath  
Or take your first step  
I was so young me and ye mom  
We got along  
But we just weren't ready  
Regrets there's been many  
Heavy on my shoulders  
You'd be five this October  
But it just gets colder  
Every year I don't know ye  
We picked out names  
But we were so afraid  
My heart still aches  
I'd do whatever it takes

If I could go back in time and make a change I would  
If I could bring ye back to life erase the pain I would  
If I could pray ye back tonight with no delay I would  
I'll meet you up in heaven back together for good

I was never unplanned, unplanned, unplanned  
It was not your plan for me  
I was never unplanned, unplanned, unplanned  
I'm right where I'm supposed to be  
I was never unplanned, unplanned, unplanned  
I never left Your hands  
Never left Your plan  
Was never unplanned... I never left Your hands

Mom and dad I understand  
But I wish I had the chance  
I'll never feel the touch of hands  
Or ever walk across the sand

I know I wasn't planned  
But if you saw the way I dance  
I would have led a band  
But I'll never know romance

If born I would a changed the world

If born I'd of been your baby girl  
I born you would a seen me twirl  
Brown eyes and long golden curls  
And guess what I still love you  
Let it go, I still love you

I was never unplanned, unplanned, unplanned  
It was not your plan for me  
I was never unplanned, unplanned, unplanned  
I'm right where I'm supposed to be  
I was never unplanned, unplanned, unplanned  
I never left Your hands  
Never left Your plan  
Was never unplanned... I never left Your hands

Mom & dad  
I know it hurts right now  
But don't let the past shape your future  
You've got your whole life ahead of you  
God's already forgiven you  
If you can just find the strength now  
And forgive yourself  
I love ye and I'll see you up here soon

I was never unplanned, unplanned, unplanned  
It was not your plan for me  
I was never unplanned, unplanned, unplanned  
I'm right where I'm supposed to be  
I was never unplanned, unplanned, unplanned  
I never left Your hands  
Never left Your plan  
Was never unplanned  
I never left Your hands

You are my sunshine, my only sunshine  
You make me happy when skies are gray  
You'll never know dear, how much I love you  
So please don't take my sunshine away
