

# START AGAIN

Manafest

Dreams are up in smoke  
Losing all my hope  
Scared to start over  
My skins a little older  
The grave is getting closer  
These days are feeling colder  
My road  
Longer then you know  
Burning in my soul  
I got to get a move on  
It's time to sing a new song

I'll fail I'll fall in love again  
I'll heal I'll hurt I won't give in  
Piece by piece I'll try to mend  
I'll start again  
Start again  
Start again  
Start again

Everything I own  
Is turning into stone  
I'm leaving it behind me  
The road can keep winding  
My past will not define me  
And I will keep fighting  
Out of darkness  
No matter where I'm starting  
Won't be a dead man walking  
The first step's the hardest  
And I know

I'll fail I'll fall in love again  
I'll heal I'll hurt I won't give in  
Piece by piece I'll try to mend  
I'll start again  
Start again  
I'll Start again  
Start again

I'll swim before I sink again  
I'll draw on strength I find within  
The end is where I can begin  
To start again

I'll fail I'll fall in love again  
I'll heal I'll hurt I won't give in  
Piece by piece I'll try to mend  
I'll start again  
Start again  
I'll start again  
Start again
