

Walking Into Fire

Manafest

Bring back all the memories
Bittersweet symphonies
Toast to your enemies
Kompai

Tell me what's in a destiny
Leaving a legacy?
Crafting your effigy?
Goodbye

Life is a tornado
Exploding like volcanoes
Falling like dominoes, dominoes
'Cause you don't know
What you don't know
Till you find out
That it's beautiful
It's out of control
But ye got to go

Walking into fire
Flames burn brighter, hotter, higher
Walking into fire
Sparks fly farther, faster, stronger
Walking into fire
Oh, oh, oh, oh, oh
I'm walking into fire
Oh, oh, oh, oh, oh
Walking into fire

Going off like a firework
Light up the universe
Raising the temperature
Oh - oh
Burning in a circle
The inferno, is eternal
It's out of control
But you gotta go

Walking into fire
Flames burn brighter, hotter, higher
Walking into fire
Sparks fly farther, faster, stronger
Walking into fire
Oh, oh, oh, oh, oh
I'm walking into fire
Oh, oh, oh, oh, oh
Walking into fire

Let it burn
Burn, burn, burn
Let it burn
Burn, burn, burn
Burn, burn, burn
Burn, burn, burn
Let it burn
Burn, burn, burn

Walking into fire
Flames burn brighter, hotter, higher
Walking into fire
Sparks fly farther, faster, stronger
Walking into fire
Oh, oh, oh, oh, oh
I'm walking into fire
Oh, oh, oh, oh, oh
I'm walking into fire

Boom
