

# Don't Invent Me

Mandalay

I won't know another  
'Til I know  
I won't know another  
'Til I know

Even though I keep on telling you  
But still oh no, no

I won't know another  
'Till I know

Here, only love  
Don't invent me  
'Til you need me  
Will I fall in now?  
Only love, don't invent me  
'Til you need me

I won't love another  
'Til I learn  
I won't love another  
'Til I learn

Even though I keep on telling you  
But still oh no, no

I won't know another  
'Til I know

Here, only love  
Don't invent me  
'Til you need me  
I fall in now  
Only love, don't invent me  
'Til you need me

Here, only love  
Don't invent me  
'Til you need me  
I fall in now  
Only love, don't invent me  
'Til you need me

Here, only love  
Don't invent me  
'Til you need me  
I fall in now  
Only love, don't invent me  
'Til you need me

Here, only love  
Don't invent me  
'Til you need me  
I fall in now  
Only love, don't invent me  
'Til you need me
