

# What If I

Mandalay

Her words  
Have left me  
Discharged like  
A space

She stepped in to  
Reveal  
The doubt  
I've felt

What if i  
Take a little more  
Than you need  
What if i  
Say I believe in me  
Adequate for qualified  
Oh to be  
All that I say I can be

Her world  
Has shown me  
It's not just me  
Who needs more

Just to be this  
And need no more  
Must be so much relief  
Must be all

What if i  
Take a little more  
Than you need  
What if i  
Say I believe in me  
Adequate for qualified  
Oh to be  
All that I say I can be  
But what if I need her

Her words  
Have left me

What if i  
Take a little more  
Than you need  
What if i  
Say I believe in me  
Adequate for qualified  
Oh to be  
All that I say I can be  
But what if I need her
