

# Comeback Kid

Mandisa

Fear said "hide away"  
Shame said "wear those chains"  
Then I let guilt lie to me  
And I believed everything  
But You were there in my [?]  
The One telling me it's not over yet  
And everytime I say I can't  
You say that I can

I will stand  
Nothing's gonna keep me down  
I know You hold my hand  
Even when the world around me  
Feels like it's giving in  
I won't quit, I'm a comeback kid  
I know that (hey!)  
Whatever I'm going through  
You've always got my back  
So I'm gonna reach for You  
You're following (You're following)  
I won't quit, 'cause I'm a comeback kid  
(I won't quit, I'm a comeback kid)

We've all had a day that almost did us in  
Didn't think we have the strength  
To take one more step again  
But You were there at my lowest time  
The One telling me don't you give up yet  
And everytime I say I can't  
You say that I can

So I will stand  
Nothing's gonna keep me down  
I know You hold my hand  
Even when the world around me  
Feels like it's giving in  
I won't quit, I'm a comeback kid  
I know that (hey!)  
Whatever I'm going through  
You've always got my back  
So I'm gonna reach for You  
You're following (You're following)  
I won't quit, 'cause I'm a comeback kid...

I won't give up, I won't give in  
I'm a comeback kid  
[?], what you did  
I'm a comeback kid  
I won't give up, I won't give in  
I'm a comeback kid  
[?], what you did  
I'm a comeback kid  
(I'm a comeback kid)

I will stand  
Nothing's gonna keep me down  
I know You hold my hand

Even when the world around me  
Feels like it's giving in  
I won't quit, I'm a comeback kid  
I know that  
Whatever I'm going through  
You've always got my back  
So I'm gonna reach for You  
You're following (You're following)  
I won't quit, 'cause I'm a comeback kid

Yes I am, yes I am (hey!)  
(I won't quit, I'm a comeback kid)  
Comeback kid (hey!)  
(I won't quit, I'm a comeback kid)  
Comeback kid  
I won't quit, 'cause I'm a comeback kid
