

## Cradle Me (Patsy's Lullaby)

Mandisa

Cradle me in midnight mercies  
Fill me with Your day starlight  
Adorn me with thanksgiving  
Strengthen me with might  
Guide me with Your holy kindness  
Into yet another day  
Lead me on to glory, Jesus  
In Your everlasting way

Through valleys, through darkest night  
You guard me, speed my enemy to flight  
Be the lifter of my head in sorrow  
Mend my broken heart today  
And heal up my tomorrow

Cradle me in midnight mercies  
Fill me with Your day starlight  
Adorn me with thanksgiving  
Strengthen me with might  
Guide me with Your holy kindness  
Into yet another day  
Lead me on to glory, Jesus  
In Your everlasting way

Pillow me with Your Presence  
Comfort me in Your holy rest  
Surround me with your angels' songs  
Sleep safe in Your shelter of my Father's arms

Cradle me in midnight mercies  
Fill me with Your day starlight  
Adorn me with thanksgiving  
Strengthen me with might  
Guide me with Your holy kindness  
Into yet another day  
Lead me on to glory, Jesus  
In Your everlasting way
