

My First Love

Mandisa

How long will You forget me?
How long will You hide Your face?
All the lies my soul has taken
My heart's at war and faith is shaken
But there once was a time when my hope was alive
Felt You near, You and I, couldn't get much closer
You would speak, I'd believe, not a doubt that I had inside

I wanna go back, to where it all began
I wanna go past, the walls that hold me in
To trust what I know, feel You so close
I can hear Your heartbeat
I wanna go back, back to my first love
You are my first love

How long will I forget You?
And how long will I pretend that You're not here?
Bring light to my eyes in my darkest places
Bring hope to my heart that can hardly take it!

I wanna go back, to where it all began
I wanna go past, the walls that hold me in
To trust what I know, feel You so close
I can hear Your heartbeat
I wanna go back, back to my first love...

I need revival
Lord, let Your fire fall
I long to feel again
The touch of Your hand
I wanna breakthrough
Help me to trust You
Jesus, restore my passion
I wanna go back, to where it all began
I wanna go past, the walls that hold me in

I wanna go back, to where it all began
I wanna go past, the walls that hold me in
To trust what I know, feel You so close
I can hear Your heartbeat
I wanna go back, back to my first love
Jesus, You are my first love
Jesus
