Ruins

Mandisa

I look around and all I see
Burning buildings, barren trees
Hopelessness is starting to wreak havoc

Son of man I know you see
The deepest depth unknown to me
You have planted seeds among the ashes

You rebuild
You restore
All that's broken
From the ruins
You redeem
You return
All that's stolen
From your children
That's what You do
That's what You do

So be still my anxious heart
All that's gone is never lost
Emmanuel is here and He is faithful

So I won't let my praises stop
I'll sing it from these rubbled rocks
I know You are good and You are able

You rebuild
You restore
All that's broken
From the ruins
You redeem
You return
All that's stolen
From your children
That's what You do
That's what You do

You make beauty from of ashes
That's what You do
You turn our sorrows into gladness
Yeah, that's what You do
I gave glory and honor
For all that You do
I will sing Hallelujah
For all that You do

You make beauty from of ashes
That's what You do
You turn our sorrows into gladness
Yeah, that's what You do
I gave glory and honor
For all that You do
I will sing Hallelujah
For all that You do
For all that You do

You rebuild
You restore
All that's broken
From the ruins
You redeem
You return
All that's stolen
From your children
You rebuild
You restore
All that's broken
From the ruins
You redeem
You return
All that's stolen
From your children

That's what You do
That's what You do
