

A Picture of 'Em All

Mando Diao

We call it lady nowadays, when youre put down with your panties,
issues maid! And when youre making my bed, remember you have t
o make yourself

But I dont know where its going Ive got a picture of em all If
its going deathrow? Ive got a picture of em all and you know wh
oll cause it

- thats your home

And times out on the street if time eats, then its fought by a
warrior Youve got lust for b love Youve got anything life could
need

But I dont know

Thats your women - let your women dry Every head in Kine - let
your women dry Everywhere, I trust let your women dry Everywher
e, I seek my purity in love affairs

I wanna beat you in all I want beat but its all to much now Ive
got lust for b love Ive got anything life could need

But I dont know

Thats your women
