

## Frustration

Mando Diao

Here I am, oh my God  
I've got a lot of frustration  
A matter of fact  
We lost communication

Ooh, it will bring us down  
Down, down, down, down  
We're going down  
If we don't it take back  
We're gonna hit the ground  
So come on

Oh my God, oh my God!  
I've got a lot of frustration  
Here it is, here we are  
It's a new revelation

Ooh, it will bring us down  
Down, down, down, down  
We're going down  
If we don't take it back  
We're gonna hit the ground  
So come on!

Oh my God, here we are  
It's just a matter of time now  
If we don't stand up and fight  
There will be nothing to fight for

Oh my God, oh my God  
I've got a lot of frustration  
Here it is, here we are  
It's a new revelation

Oh my God, oh my God!  
I've got a lot of frustration  
Here it is, here we are  
It's a new revelation

It's a new revelation  
And another frustration
