

# Stop the Train

Mando Diao

Last time down the crooked road  
In the city where we were born  
Time to bite the bullet  
We can't take it anymore  
Too much greed, too much hate  
Pack your stuff, let's get away  
Can't you see it's our fate  
Wheels are turning, don't look back

Stop  
Stop the train  
We ain't never going back again  
Stop  
Stop the train  
We ain't never going back again  
We're never going back again  
Hey!

And I do what I want  
What I want, what I do  
What I want to do to you

And you do what you want  
What you want, what you do  
Tender, me and you  
Come on now, come on now  
You, me, on the run  
Come on baby, let's move on

Stop  
Stop the train  
We ain't never going back again  
Oh baby, stop  
Stop the train  
We ain't never going back again

We're never going back again  
We're never going back again  
We're never going back again  
We're never going back again  
Yeah!
